**4. Old Business:**

It was discussed the need to update our Zoning Ordinance, especially regarding Wind and Solar Energy. It was also felt that we should meet with Chris Khorey of McKenna for his input since he has already worked with several other local townships on the wording they chose for their Ordinance.

John Shilling will ask the Township Board, at their next meeting, if we can call Chris Khorey and set a date for him to come down and meet, possibly doing it at a Township meeting. If not at a Township meeting then it would be at a Planning Commission meeting.

**5. Report from Township Representative, John Shilling:**

John Shilling reported that the Paxton boy has started working on repairing some of the broken headstones at Fisher Hill Cemetery. Mr. Paxton is doing this as a project towards earning his Eagle Scout Badge.
