

Algansee Township Planning Commission Minutes

October 26, 2020

1. On Monday, October 26, 2020:

There was no meeting held.

Since the state of Michigan is still under the Governor's guidelines for the COVID 19 pandemic, which change depending on the phase that our region is in, the following motion was made and approved on July 27, 2020 for future meetings until the COVID 19 pandemic is over:

Glenn Preston moved to cancel all Planning Commission meetings UNLESS there is a Special Use Permit that needs a decision, until the COVID quarantine is over; supported by Rick Coon. Motion carried.

This decision was made not only to follow the Governor's guideline but for the health and safety of our Algansee residences and the members of the Planning Commission. We are sorry for any inconvenience this may cause.

When a date for the next public Planning Commission Meeting is set, it will be posted on the Township Hall and published in the Shopper's Guide prior to the meeting.

Pricilla Dodd,
Secretary
